As a bespoke company we can offer quotes on any extras you might think of for your cottage, play system or garden.

These have included shop fronts, sand pits and garden furniture.

Delivery Charges

Cottage delivery starts at £565 and varies according to location. Delivering a cottage usually takes a few hours depending on site conditions.

Platform delivery starts at £995. The average delivery time for a platform is three days, arriving mid morning on day one and finishing early evening on day three.

Storage

If you are moving or re-designing your garden we can quote for collection, storage and redelivery of your cottage or play system.

Storage starts at £37 per month.

Shipping

Per Crate £240

We make and load all the crates ourselves and can provide you with a quote for the forwarding.
